

# ICE Raids Support

Anonymous Voice Support for Those Affected

**Access anonymous voice support for those affected by ICE raids - no account needed**

Completely anonymous - no tracking, no personal information required

## How It Works

---

- **Anonymous Access:** No registration, no personal information collected
- **Voice Support:** Connect with AI-guided support in a safe environment
- **Resource Connection:** Get information about legal aid and community resources
- **Emotional Support:** Process feelings in a trauma-informed space

**Scan to Access Support Now:**
